

IKI Chemicals (Pvt.) Ltd.
"Health with Care"

"Quality Policy"

At IKI Chemicals Pvt Ltd], we are committed to delivering safe, reliable, and high-quality products across all our divisions: **Food, Beverages, Cosmetics, and Electronic Devices**. Our policy is guided by the following principles:

1. Customer Satisfaction

We prioritize understanding and exceeding customer expectations by offering products that meet their needs in terms of safety, performance, aesthetics, and value.

2. Compliance and Standards

We adhere strictly to all relevant national and international regulations, industry standards, and certifications for each category:

- **Food & Beverages:** Compliance with food safety regulations (e.g., HACCP, ISO 22000, PFA, local food laws)
- **Cosmetics:** Conformance with cosmetic safety standards (e.g., ISO 22716, GMP, and local regulatory bodies)
- **Electronics:** Compliance with safety, quality, and environmental standards (e.g., ISO 9001, CE, , FCC)

3. Quality Control and Assurance

We maintain robust quality control systems throughout our production and supply chains:

- Strict raw material sourcing and supplier evaluation
- In-process checks and final product inspections
- Continuous quality audits and improvement programs

4. Innovation and Continuous Improvement

We invest in research, development, and technology to enhance product quality and operational efficiency. We foster a culture of continuous improvement (e.g., Kaizen, Six Sigma) in all business processes.

5. Sustainability and Responsibility

We are committed to environmental sustainability and ethical practices. We strive to minimize environmental impact and uphold social responsibility across our product lines.

6. Employee Engagement and Training

We ensure our employees are competent and quality-conscious by providing regular training and fostering a culture of accountability and excellence.

This Quality Policy is reviewed periodically to ensure its continued suitability and alignment with our strategic goals.

Mohammed Kashif Awan
